

Total Air Supply's End of the Summer 2020 Training Schedule

EPA 608 Refrigerant Certification Review Webinar & Testing:

**Seminar & test for \$120
Just the test for \$60.**

The EPA 608 Review webinar will be online Thursday September 10th, 2020 from 5:30 pm to 9 pm. This should not be considered a "substitute for studying", but as a final review before the test.

The Testing will be in person at our 1 B St., Derry, NH facility classroom on the evenings of Monday September 14th and Tuesday September 15th, if necessary, from 6 pm to 9 pm. Because of the continuing COVID situation, we will only have 5-6 people max testing on either evening so first come, first served will apply.

Those wishing to test will be required to do the following before entering the building:

1. **Be wearing a mask** (TAS employee will be doing the same)
2. Allow your temperature to be taken
3. Fill out a short questionnaire
4. Clean hands with hand sanitizer (will be provided at the door)

Once inside the Classroom:

1. Seating will follow social distancing guidelines. Tables and chairs will be wiped down with alcohol before your arrival.
2. Once at your seat, you may remove your mask while seated. If you get up and move around for any reason, you must put your mask back on.

To Register for Review Seminar & Testing or Testing Only:

Step 1: Register - [Click Here](#) and register.

Step 2: Make Payment - Call Total Air Supply's sales department at 1-603-889-0100 or 1-800-370-0100 and let them know you need to pay for the upcoming EPA 608 Seminar & Testing. You can pay with your credit or debit card or your Total Air Supply charge account, if applicable.

Both the Registration and Payment Steps Must Be Completed

After Payment Confirmation the link to attend the webinar will be sent to you. All instructions on how to sign in will be included in this link. Please keep in mind the link will be sent as soon as possible but not instantaneously.

Our Next **NH Gasfitter License Renewal Webinar – 2019 & 2020 Modules** will be held on Saturday Sept. 12, 2020 from 8 am to 2:30 pm.

The State of NH requires licensed Gasfitters to attend (1) three-hour code update seminar per year or attend one seminar every two years and do both, a total of 6 hours, in one sitting.

These webinars require the attendee to be in front of their computer during the live webinar presentation and to keep the webinar page on top, in other words, the page that is showing on their screen, and to answer several random survey questions throughout the presentation to validate the attendee is watching the webinar.

Start times and cost are as follows:

2019 NH Gasfitter – only – \$40 – 8 AM to 11:10 AM

2020 NH Gasfitter – only – \$40 – 11:20 AM to 2:30 PM

2019 & 2020 NH Gasfitter –(Both) – \$80 – 8 AM to 2:30 PM

Step 1 -- Registration: [Click Here](#) to register for the webinar.

Step 2 -- Make your Payment: Call Total Air Supply's sales department at 1-603-889-0100 or 1-800-370-0100 and let them know you need to pay for the upcoming Sept. 12th, 2020 NH Gasfitter License Renewal Webinar(s) that fit your needs. You can pay with your credit or debit card or your Total Air Supply charge account, if applicable.

Both the Registration & Prior Payment steps must be completed.

After Payment Confirmation the link to attend the webinar will be sent to you. All instructions on how to sign in will be included in this link. Please keep in mind the link will be sent as soon as possible but not instantaneously.

*A Minimum class size of 7 people is necessary for the class to run. All classes will have food & drink provided unless otherwise stated. All classes will be held at the Perry Haymann Memorial Training Room at our 171 East Hollis St., Nashua, NH location or our 1B Street, Derry, NH location. Starting time is listed in the class description. Seating is limited and will be filled on a first come, first reserved basis. **No billing for training is done until after the training is over.** If more than one person is attending, please duplicate this form as necessary and make *checks payable* to Total Air Supply. * Applies to non-account holders only.*
