**IT'S ALL ABOUT THE SERVICE**

**At Total Air Supply, our goal has always been to provide the best service possible.** We know better than anyone else that there's more to customer service than just taking an order. Let Total Air supply show you what Customer Service and complete Customer Satisfaction means.

**Getting to Total Air Supply is incredibly easy with 2 convenient in and out locations.** We are here to serve your walk in and pick up business 6 days a week with early 6:30 a.m. opening times and late 5:00 p.m. closing times and Saturday 7:30 - 11:00 a.m. hours for your added convenience. We are located at 875 Page Street, Manchester - 193 No. exit 6. Left on Candia Rd and Right onto Page Street. We are also centrally located at 171 East Hollis St in Nashua at the base of the 111 Hudson Bridge. You can always contact us by fax at 603-889-7308 any day or night 7 days a week. We will address your quotes or orders the very next business day.

**With our knowledgeable sales staff you can feel confident that you will get the information you need and the best possible products for the job.** Have questions, need answers? Give us a call or request a sales call convenient for you - at your office or job site. **Remember, we deliver!** Most orders called in by 3:00 pm can be delivered next day. Many orders, when in stock, can be delivered same day if called in early enough.

**Our Custom Metal Shop has it all! State of the art equipment and highly trained and experienced fabrication technicians are here to serve you.** Your shop orders, square, round or spiral are our specialty. We assemble and glue so you don't have to! We carry TDF, SD, Slip, lined, assembled, black iron, stainless steel, welded, Galvaneal, double wall, Vanstone Rings, PCD, Spiralmate Rings and aluminum. In addition to your shop needs we also carry a full line of fire dampers, access doors, blast gates screws and sealants. If we don't stock the size you need we can get it in short order. Give us a chance to quote for you today!

**Are you EPA trained in refrigerant recovery? NATE Certified?** Do you need a trouble shooting refresher course? Randal, our in house Technical Service Advisor is only a phone call away. With regularly scheduled classes and tech tips an email away you can feel confident we have or can get the information you need. Sign up for our E-Club with Randal and stay informed on the latest industry updates.

**Excellence in Customer Service is not just a saying; it's what we do.** We get you the information and products you need and service you like no other supply house in the area. Thank you for taking the time to get to know us. We look forward to getting to know you better too.
