—This seminar will go over the changes mandate by the Department of Energy on residential furnace blower motors. We will also discuss setting up and troubleshooting the ECM and CTM motors in the Goodman/Amana line of furnaces

Derry Classroom: 6 Hour Gas Training for NH Gasfitter License Renewal, 2018 & 2019 Modules, Saturday June 15th from 8 am to 2:30 pm. Cost \$80

—Class will cover the 2018 & 2019 modules units required by the State of New Hampshire for license renewal. Those who want to attend just one unit or the other may attend the 2018 segment from 8-11 am or the 2019 module from 11 am to 2 pm depending on your needs. The cost will be \$40 per unit.

Derry Showroom: Thursday June 27th, 2019--Daikin sponsored "Lunch & Learn" from 11:45 to 12:45. Come on in and have lunch while you learn about the Daikin D-Checker Troubleshooting software for your laptop and the Bluetooth App version for your phone or tablet.

Daikin D-Checker is free software for your laptop or an app for your smart phone or tablet that allows you to plug these devices into the Mini-Split outdoor unit (connection cable must be purchased) to obtain a wealth of information on the operation of the equipment before doing any testing.

We look forward to YOU joining us for our first Daikin "Lunch & Learn" on Thursday June 27th, 2019 from 11:45 to 12:45 in Derry. Registration is not necessary but a phone call, text or email to Randal saying you want to attend would be nice for head count reasons.

If registering multiple people on one form please fill in the name, contact # & desired classes section for each attendee. You can print and fax the information or Microsoft word savvy people can fill out the form and email it back to randal@totalairsupply.com
