Redeem points at shopchoicerewards.com

DEALER'S CHOICE REWARDS PROGRAM

Shop for the prize **YOU** choose with our Dealer's Choice Rewards Program. As a valued customer, you will earn points for buying the parts and supplies that you need. Then use your Dealer's Choice points to shop from our **ENTIRE** prize catalog, from gift cards to electronics – and even appliances!

Normal point earnings are half a point for every \$1 on qualifying orders over the \$500 minimum.

During our preseason promotion, reward points earned increase at each level!

Shown below are just a few of the terrific prizes that **you can choose** with your points earned.

LEVEL 1

Spend \$2,500-\$4,999

Get .75 points for every dollar spent!
(i.e. \$2,500 = 1,875 points)

LEVEL 2

Spend \$5,000-\$7,499

Get 1 point for every dollar spent!
(i.e. \$5,000 = 5,000 points)

LEVEL 3

Spend \$7,500-\$9,999

Get 1.25 points for every dollar spent!
(i.e. \$7,500 = 9,375 points)

LEVEL 4

Spend \$10,000+

Get 1.5 points for every dollar spent!
(i.e. \$10,000 = 15,000 points)

FREQUENTLY ASKED QUESTIONS:

How do I earn points?

Spend \$2,500 or more when placing a qualifying order during our preseason sale and you'll automatically receive points for every dollar you spend. The more you buy, the more points per dollar you'll earn! The amount of points earned increases at each level. For example, spend \$3,000 (Level 1) and receive .75 points for every dollar (2,250 points). Spend \$8,000 (Level 3) and receive 1.25 points for every dollar (10,000 points).

Do I pay tax and shipping on my points purchase? Points earned are not taxed. All items redeemed or purchased are subject to local tax and shipping fees. Products purchased to earn points are subject to local tax.

Can I spend more than my points value? Yes. If you see something you want, but don't have enough points for, you can apply points to receive a discounted price. You can pay the balance with a credit card.

How long will this program last? Our preseason promotion ends May 31, 2026 and points will be calculated at the end of the promotion. You can continue to earn points at the normal earning rate (\$1 = .5 points) through December 31, 2026. Points earned during this time can be redeemed through January 31, 2027.

How will I receive my items? Your prizes will be shipped directly to your home or business.

See shopchoicerewards.com for complete program guidelines.
